JOSE RIZAL UNIVERSITY
OFFICE OF THE PRESIDENT

Dear Dr. Baltazar:

Peace!

Congratulations for launching www.joserizal.ph, a web site on Dr. Jose P. Rizal, our national hero.

The construction of the most comprehensive educational web site on our national hero will help not only all sectors of our community but also citizens of the world who are interested and curious to know more about our national hero.

The information about the web site will be disseminated to all members of the Bedan community. By making the web site open to all sectors of our community for free speaks well of the university.

We assure you of our meeting together in cyberspace.
